

Aldergrove Credit Union Raises \$25,000 for BC Children's Hospital

June 5, 2017

Aldergrove, BC – Aldergrove Credit Union (ACU) staff and members forged together to raise a record smashing \$25,000 during their annual six week fundraising campaign. The cheque was presented during a live broadcast at 30th annual Miracle Weekend this past weekend.

“It has been an incredible honour and privilege to work alongside the team of spirited fundraisers, their positive energy and influence during the campaign inspired members, community partners, friends and family to band together and raise the funds,” said Val Mackey, VP, Human Resources & Marketing, and BC Children's Hospital Foundation Chair of the Credit Union Committee.

The ACU team of fundraisers brought in a total of \$25,375 – surpassing their goal of \$18,000 by 40%! The contribution was included in the \$20,300,680 total raised by hundreds of diverse groups during the province wide campaign.

ACU fundraising activities took place at all six branches and around the Fraser Valley, their tactics included a pub night, the annual BC Children's Hospital Slo-Pitch Tournament, jeans days, bake sales, book sales, plant sales and more.

“Together with our family of credit unions in BC, we've reached a remarkable milestone, one that will ensure children and their families across BC get the care and support they need during the most difficult times of their life. We are beyond grateful to everyone involved, and look forward to raising the bar even higher in 2018,” said Val Mackey.
